AT
MEMORANDUM FOR:
Special Assistant to the Acting DDCI
SUBJECT : Briefing for NBC Visitors

In response to NBC's request to produce a one-hour program on the Agency, we agreed to allow one or two NBC producers/researchers to come into the building in the near future for a series of briefings on CIA activities and a tour of some of the facilities. The objective of the visit is to permit NBC to decide what kind of things they might be interested in treating, obviously with our concurrence. We want to tell the visitors as much as we can about what the Agency does. We request that you consider having someone in the DDCI's office provide the initial briefing, which would cover in very general terms overall Agency responsibilities.
